Guidelines for preparing, submitting and presenting Session Talk Presentations

PREPARING YOUR PRESENTATION:

Please prepare your talk as a **PowerPoint (.ppt /.pptx)** presentation. **Please ensure the slides you create fit into a 12-minute slot**. [The first slide for your presentation should be the *PHA4GE Conference title page* which can be found **here** (hyperlink)]

Please **name your presentation** as follows: Session Talk_Your Surname_Your First Name

PRESENTATION TIMES:

Please refer to the **Conference Programme** (hyperlink) for the day, and time slot for your talk.

Your talking slot lasts for 15 minutes. Approximately 12 minutes will be for your talk and the remaining 3 minutes will be open to the floor for questions and answers. Please stick to the given time to allow a fair time for each presenter to talk.
